WELCOME

Welcome to the 2014 Bradford Eurocamp brochure. We are pleased to present the 11th Bradford Eurocamp, again run by Dr Laszlo Nemeth, the former England Senior men's coach and former national coach of Iceland and Kuwait. The camp will be based on the double court at Bradford College in the new Trinity Green complex and we will be using at least five other nearby sports halls all with permanent basketball facilities with sprung floors. It seems a long way since our first camp in 2004, which attracted 60, mainly West Yorkshire players, to last year's international camp with over 95 residential campers and nearly 50 non-residential campers with large contingents from Kuwait, Hungary, Spain, Scotland, Ireland, Denmark as well as campers from Germany, Seychelles, Channel Islands, France, Holland and even Egypt. The many UK campers from West Yorkshire and all over the UK benefitted from the international flavour of the 2013 camp and we hope to have even more overseas campers at the 2014 camp.

We will again have an outstanding array of European and UK coaches to work intensively with players who want to improve their game. Residential campers will live in the student halls of residence that adjoins the sports hall complex, have their meals in the College refectory and be bussed to and from the offsite courts when required, always under the supervision of qualified staff who are DBS/CRB [Police] checked. We make no compromises with the safety of campers as Bradford Dragons are an EB 4 star club with Clubmark accreditation. We hope you will book your place early for this year's camp, we are confident you will enjoy and emerge as a better basketball player.

Stuart Culliford, Chairman of Bradford Dragons

BRADFORD DRAGONS

Bradford Dragons Basketball Club was established in summer 2001 in response to the demand from a number of under 16 players who wanted to play basketball matches against similar age players across West Yorkshire. The club had grown substantially with the first men's team now playing in EBL Division One. We also have junior Dragons teams at EBL U16, U15, U14 and U13 levels. We currently have 5 satellite clubs. Dragons are currently an EB 4 Star Club and also hold Sport England Clubmark status.
